I don't know but I been told. Donald Trump's toilet is made of gold. (*Troops sing back...*)

When he squats to take a dump. Watch out for that rosy rump.

(Instrumental)

Grunts and groans, he's rooty-tootin' while he tweets his love for Putin.

Can't drain the swamp because he is it. Go to Russia for a visit.

Don't come back we'll take your visa. Say hi to Snowden if he'll see ya.

When those cheeks begin to quiver. Watch out folks he'll soon deliver.

One more law to hurt the planet. Makes me want to hurl and vomit.

Stealing babies at the border. Sowing hatred and disorder.

Chorus: Oh Donald, what cha hidin? Oh Donald, truth be told. truth be told. truth be told.

He wouldn't a won if he hadn't cheated. Let's make sure he gets defeated.

His best and brightest are in prison. Think he ought to be there with 'em.
